We hope everyone is having a great start to summer. We would like to take this opportunity to let all members know that we strongly suggest that you take the time to go to the employment window at the Joint Industry Board and fill out the necessary paperwork that is required to work on such jobs as the U.N. and The World Trade Center. These background checks are mandatory to work on these projects, as they are expected to bulk up in man power. Feel free to pass this information along as we do not have meetings through the summer

Also a reminder that our Family Day BBQ will be taking place August 8th at Hempstead Lake State Park from 11am to 6pm. Remember to check the website, local3latimers.org, as the flyer will be posted as well as all club activities.

Enjoy the rest of the summer, work safe. We look forward to seeing everyone at the BBQ.
